Subject: Wildlife Bill SB 832

I am writing to you to express my deep disapproval of Wildlife Bill SB 832. It is far to wide ranging. I personally feed two feral cats who rely on the food I put out for them. I am also involved in dog and cat rescue and see this bill as a problem in many ways. It also gives too much authority to the state-more overreach!

Where is it stated in this bill that public education is needed. The public at large tends to be non-compliant with what should be logical-don't leave garbage out; don't feed birds after Spring has sprung; Don't approach wildlife.

Please reject this poorly written bill. Thank you, Susan King
